

Demographic Information for NIH Reporting

As an institution that receives federal funds for trainees, MWRI is required to report demographic information regarding our applicants and participants to our training programs. Provision of the following information is voluntary. Applicants and trainees are strongly encouraged to provide this information; however, declining to do so will in no way affect their appointments. These data will remain confidential and all analyses utilizing the data will report aggregate statistical findings only and will not identify individuals. Answers to any of the questions will not adversely affect your chances of selection.
